RE: 2015 NC Whole Hog Barbecue State Championship

DATE: July 20, 2015

I am pleased to invite all eligible cooks to participate in the 2015 NC Whole Hog Barbecue Championship. This is another exciting year and we hope you will join us.

Here are just a few of the details...

- We will once again be hosting the event right in downtown Raleigh during the Wide Open Bluegrass Festival on October 2nd and 3rd. (<http://www.wideopenbluegrass.com/>)
- This festival brings people from all over North Carolina, all over the country and even international visitors.
- Our goal this year is to continue to build the level of exposure for this contest and our outstanding cooks who participate.
- We anticipate there will be more spectators and media coverage of this event as interest grows.

Attached you will find an application with eligibility requirements and the official rules.

The location everyone will be cooking in is a flat, paved parking lot. The exact location to be determined but will be close to if not the same as last year.

If you have any questions or concerns, please call or email me.

Thanks and hope to see you in October!
