

AWARD FOR EXCELLENCE IN INNOVATION

2019 Nomination Form

The Award for Excellence in Innovation is to honor and recognize individuals or institutions for advancing the pork industry through innovative techniques, applications and/or action that include but are not limited to environmental stewardship, sustainability, research, science, and other related advancements in the pork industry.

Eligibility

1. Award may be made to an individual or institution.
2. Priority consideration is for an owner, operator, contract producer, manager or employee engaged in pork production in North Carolina.

Selection Criteria

1. Contributions of the nominee to the pork industry through innovation.
2. Nominee's record of environmental compliance and stewardship, as applicable.
3. Awards or special recognitions received as they relate to the nominee's innovative contributions in pork production and agriculture.
4. PQA Plus and/or TQA certified, as well as PQA Plus site assessment, as applicable.
